Dear Mr. Stewart:

In response to the BUY A BRICK appeal organized by the Jamaican Canadian Association to fund their Community Centre, the Peel Guyanese Association for Guyana Health Relief would like to contribute the sum of CDN\$100.00. Please record our name as follows:

Peel Guyanese Association *for Guyana Health Relief*

Formed on October 1, 1994, the Peel Guyanese Association for Guyana Health Relief is a non-political, non-profit charitable association whose primary objective is to contribute to the improvement of the health and welfare of all the public medical institutions in the Cooperative Republic of Guyana, South America.

Medical institutions and a number of individuals provide tremendous support in the form of donations of medical equipment and supplies. Our greatest challenge, however, lies in raising funds to allow us to ship these items to Guyana, which we do by organizing various fundraising activities. We also provide Christmas Cheer to seniors in the Region of Peel, and have contributed to the Herbie Fund.

In addition to our cheque, we have enclosed our Calendar of Events and a business card which lists the members of our Executive, our objectives, and the types of items which we collect for shipment.

The Executive and Members of the Peel Guyanese Association commend the Jamaican Canadian Association for their dedication to providing this community centre. We wish you much success in this venture and hope that the Caribbean community will support your efforts. We would welcome the opportunity to visit the centre once it is completed.

God Bless.

Yours sincerely,
